

# DANS LE NOIR ?

## EXPLORE YOUR SENSES

### HEALTH AND SAFETY GUEST DISCLAIMER

**The Dans Le Noir ? team would like to emphasise the importance of following our Health & Safety guidelines so that you and other guests can have an enjoyable time.**

**We kindly ask for your cooperation in respecting the following rules.**

During the experience, guests are to request the assistance of their assigned guide(s) if wanting to move away from their seat. Failure to do so can result in serious hazards, such as injuring one of our other guests or one of our staff members.

During the experience, we ask all guests to be respectful of others. No form of verbal or physical abuse will be tolerated and, if any behaviours are noticed that go against our company policies, you will be asked to leave the premises immediately and escorted out by one of our security personnel.

CCTV is in operation at all times via an infrared system, which is monitored by our security personnel throughout the dining experience.

Our visually impaired staff are trained in emergency response plans. In case of an evacuation, please remain calm and follow the instructions you are provided with so that you can safely exit the area.

Our kitchen and front of house teams take great care in ensuring that all allergies and dietary requirements are catered to; however, it is your responsibility to inform our staff members of your requirements. We strongly advise that should there be any members of your party with severe dietary restrictions, the entire table opts for the same menu.

Smoking and vaping is strictly prohibited in our premises. The dedicated area for smoking is located outside the restaurant. If you are caught vaping in the restaurant, you will be asked to leave the premises immediately and issued a fine.

The consumption, sale, and/or distribution of illegal drugs is strictly prohibited across all areas of our restaurant.

Please ask our manager should you have any other queries about our health & safety measures that we have implemented at every stage of your journey with us.
